

WET N HOT CODE OF CONDUCT

Wet n Hot is a party for guys who like to play without a lot of rules and take care of themselves. But even pigs have some standards! Here are ours. We reserve the right to send anyone home for not abiding by this code or for any other reason. **Please read this document and sign the release on the reverse side.**

Zero Tolerance Stuff

DO NOT EXPECT TO BE ADMITTED if you are sick, have symptoms of COVID, or are high or intoxicated!

Wear your wristband at all times. It's your pass into the party and you only get one. It's waterproof, so just keep it on. You will be turned away if you don't have a wristband.

Play in designated areas. The Pig Park at night, and the walks behind the guest rooms at all times, are our playground, while the pool deck is for socializing. Please don't play in the social areas, restrooms, dry sauna, swimming pool and pool deck bathroom. No wet play is allowed in CCBC's permanent play rooms. **READ THE SIGNS BECAUSE PLAY AREAS CHANGE BY DAY AND NIGHT! No pissing in your hotel room or on the hotel room patios.**

No drugs! No kidding! Many drugs pass through your system to your drinkers. There are just too many ways that they can harm both you and the people that you play with. If you're drunk or high, we'll send you home.

No cameras or phones allowed. Guys come to Wet n Hot to play freely in a private, safe space. Cameras violate everyone's privacy. If you are caught with a camera or phone, we'll hold onto it until you leave and erase all recent pics.

Absolutely no scat. Don't do scat. It will get us shut down. *Forever.* If you see somebody taking a dump on the property, tell us. And if you've got to go, please use a restroom. Don't let 29 years of fun come to an end!

No nudity or bare butts allowed in the hotel lobby. You can be seen from the street, and that's against the law.

No solicitation or vending. We keep Wet n Hot a selling-free zone so that guests can enjoy the brotherhood and play free of distractions.

Respect Stuff

EVERYONE IS VERS THIS WEEKEND!!! Everybody wants to get wet, but turnabout is fair play and pissing is a natural human function that we all can do. **Keep the energy going by wettin' down another buddy in need.**

Share the tubs and slings and other action spots! Don't hog the slings and other play equipment. Take a break and let everyone have some fun.

Be friendly and considerate. Sometimes we lose track of time when we're hot and horny. If you want to get in a tub or a sling and someone else is there, just ask for a turn. And don't just climb in on top of someone without asking.

Be kind when rejecting someone's advances. It's impossible at a big play party not to get approached by guys that you don't want to play with. You can say "No" without hurting people. Just say something like, "Sorry, not right now," or gently move a guy's hand away. If someone is being a pest, please report him to one of our volunteers.

Don't force yourself on people. Don't be a pest. If someone lets you know that he doesn't want to play with you, don't keep insisting. If you do, we will insist that you leave.

Dirty old men need piss, too. It isn't going to hurt you to give some piss to a guy who may not be as popular with the rest of the fellas. For you, it's just one load. For him, it may be the highlight of his night. Karma's a bitch. Some day you'll be in his shoes.

Take your conversations out of the play areas. Lots of chatter in play areas ruins the mood for others. Please chat in our social areas instead. Social areas and play areas are clearly marked.

Follow the smell code. Leave your cologne and smelly deodorant at home.

Please pick up after yourself. There are waste cans and recycling bins everywhere. Just because we're pigs doesn't mean we can't pick up our cups, cans, bottles, trash and cigarette butts! Use ash trays only for disposal of cigarette butts! Do not pile trash next to full trash cans. Take a minute to tell a volunteer the can is full.

If you feel ill, see a brother in need or distress, or see anything wrong or disturbing, please stop what you are doing and tell a volunteer. Volunteers all wear badges on lanyards and our Security volunteers wear orange vests that say SECURITY. We are a community of caring pigs who look out for one another's well being.

Be kind to the staff at our host resort. Our host resort is very gracious to us. Please treat their staff respectfully and their property as if it were your own. And if the service warrants, please be sure to tip your housekeeper.

Common Sense Stuff

Come dressed for the occasion. Don't come to the party wearing anything that you don't want to get wet!

Drink, drink, drink... hydrate, hydrate, hydrate. Start tanking up at least 3 hours before the party so that you're prepared for the desert heat and ready to piss. You will need to drink WAY more than usual because of the dry desert. If you wait 'til you arrive, you won't pee for an hour or so and you'll be up all night peeing when you get home.

You may only bring in one clear 14"x14"x6" clear plastic tote or one 3-gallon clear plastic storage bag.

If you aren't having fun at this piss party, you are probably being too shy. Assume everyone is shy, so take the initiative to approach people. If you ask, it's *yes* or *no*. If you don't ask, it's always *no*. If you aren't getting any *yes*'s, you aren't asking enough!

Don't bring money or valuables or leave them visible in your car. Place them in a locker or clothes check them in our clothes check. We've never had a theft issue, but it's better to be safe than sorry. You only need an ID.

Don't bring glass onto the party grounds. This is an important safety issue.

Don't play outside the party grounds. Public sex on the street or in bars is illegal. Don't risk getting arrested!

Don't talk to the media. Keep our party underground! If contacted by a reporter, please say "No comment," and decline to be interviewed. If you see people snooping around, tell us.

Ask a volunteer first if you need assistance or don't understand the rules. Let our hotel staffers do their work!

Have fun, be respectful, and piss, fist and fuck the cum out of each other! 'Nuff said.

PLEASE ANSWER THE FOLLOWING QUESTION:

Are you acting on behalf of, or are you a reporter for, any form of media?

☐ YES ☐ NO

By signing below, I swear or affirm that I have read this Code of Conduct and that I will abide by its rules. I further swear or affirm that I have answered the question above honestly, that I will not act as an informant or appear as a witness against Water Boys, CCBC Resort Hotel and its sponsors, guests, and representatives, and DW Media LLC and its owners and representatives, in conjunction with this event and that I have not falsified the answer to the question above. I further agree to hold harmless Water Boys, CCBC Resort Hotel and its sponsors, guests and representatives, DW Media LLC and its owners and representatives, from any and all liability from any source and for damage or loss to myself or my property arising from my participation in the event. I do also hereby agree to assume full responsibility for any property damage that I knowingly initiate and/or cause. I further state that I have been sufficiently warned of the risk by common knowledge of the nature of this event and that I do hereby release Water Boys, CCBC Resort Hotel and its sponsors, guests, and representatives, and DW Media LLC and its owners and representatives, from any assumption of risk.
